

# JACKSON'S PAINTING PRIZE 2022

**Jackson's Art Supplies are delighted to announce the launch of the seventh international Jackson's Painting Prize 2022. This year we have introduced a new addition to our existing awards program, the Amateur Artist Award. We also have over £11,000 in prizes and materials and a top prize of £6000.**

Open internationally to artists of all ages and abilities, artworks must be entered in one of the following categories: Portrait/Figure, Animals, Still life/Botanical, Non-representational/Abstract, Landscape/Cityscape/Seascape, and Scenes of Everyday Life. Entries can be on any theme and will be judged on a single jpeg or png image.

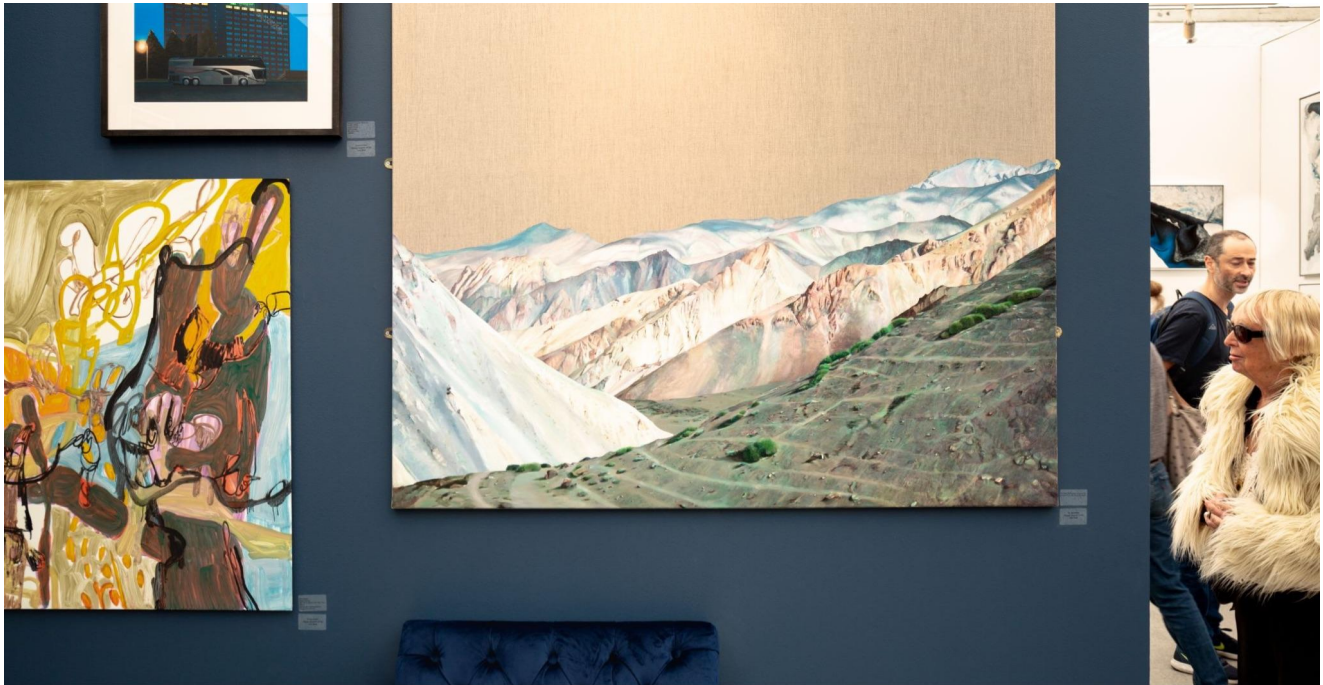

Artists who get through to the first round of judging will win a place on the longlist which is made up of approximately 10% of the total entries. Longlisted artists will have their works exhibited in an online gallery on the Jackson's Painting Prize [website](#) which has a reach of 73k per month. They will also be eligible for the People's Choice Award, to be decided by a public vote.

From the longlist, the shortlist will then be selected, and from this, the Emerging Artist Award, the Outstanding Watercolour Award, Amateur Artist Award, six Category Awards, and the Jackson's Painting Prize 2022.

UK-based shortlisted artists will have the chance to be selected for our exhibition at the [Affordable Art Fair Hampstead](#) (Wednesday 4th - Sunday 8th May 2022).

We're thrilled to have a varied expert judging panel, with an impressive mix of acclaimed artists, curators, critics, and directors.
